The Advancement Trail

First graders, and anyone beyond that grade who is new to Cub Scouting, completes the Bobcat Badge prior to working on their grade-specific badge of rank. Kindergartners, who are Lions, do not work on the Bobcat Badge.

Fifth Grade

On the advancement trail, a Cub Scout progresses towards a badge of rank based on their grade. They need not have earned the previous rank in order to earn the next. Each of the ranks in Cub Scouting has its own requirements that are age appropriate, so earning a rank below a Cub Scout's current grade is not permitted. As a Cub Scout advances through the ranks, the requirements get more challenging, to match the new skills and abilities they have learned.

Adventures

Based on different topics such as hiking, nature, science, citizenship, first aid, sports, and more, adventures are earned as a Cub Scout advances toward their badge of rank. Once an adventure is completed, a Cub Scout receives recognition in the form of an adventure loop or adventure pin.

[LEARN MORE](#)

Kindergarten through third grade; Lions, Tigers, Wolves, and Bears earn metal adventure loops (shown above). These are designed to slide onto a Cub Scout's belt.

Fourth and fifth grade, Webelos, earn metal adventure pins. These pins are placed on the Webelos Colors (shown at right) or on a Webelos hat.

Earned at monthly pack meetings held on the last Monday of the month

Advancement

Cub Scout activities are centered around earning badges that are specific to each school grade level. This badge represents a rank. Advancement refers to the progress a Cub Scout makes toward their badge of rank. All of the activities for each rank are in the Cub Scout handbooks.

[LEARN MORE](#)

Earned at pack meetings starting in February. AOLs will cross over to Boy Scouts the first weekend in March. All scouts will bridge to the next rank at the pack meeting in May and can start working on their next rank June 1.

Annual Health and Medical Records

Boy Scouts of America requires that Health and Medical Records be completed annually. Pack 167 chooses to do this at the beginning of each school year for ease of tracking compliance as a Pack. Completion of records applies to ALL participants (scouts, parents, and siblings)—in basic Scouting activities such as local tours and weekend camping trips less than 72 hours in duration.

- Download the form, fill it in digitally, and save for easy updating.
- Please include a copy of your current health insurance card and immunization records for all participants.
- Bring your completed, signed, and dated Health Forms to the Pack 167 office at an upcoming Pack event or Den Meeting.

Please do not email these forms.

Health Forms A, B:

- Applies to ALL participants—in basic Scouting activities such as local tours and weekend camping trips less than 72 hours in duration. Does not require a physical by physician.

Health Forms A,B,C:

- A pre-participation physical completed by a physician is required for events 72 hours or more. For our pack this would only include our summer Grayson Highlands trip for rising Webelos and AOL scouts. Boy Scout Troop requires part C form for all adventures.

Pack 167 Fundraising

The Pack relies heavily on the funds generated by this fundraiser. Everyone's participation is expected and appreciated. A scout is thrifty. Fundraising develops responsibility and also builds communication skills.

SELLING POPCORN

Every October Pack 167 participates in the Mecklenburg County Council popcorn sale. This is our pack's number one fundraiser for the year.

SELLING JERKY

Selling jerky is an all-year, supplemental fundraiser for the pack.

CAMP CARDS

The Camp Card is a fundraising opportunity with Mecklenburg County Council designed to help Scouts earn their way to summer camp. Camp cards are discount cards for local stores and restaurants sold for \$5 each. The sale typically runs from late January until mid April.
